18 Hands-On Experiences For Kids And Grownups Too

Stop by the Parent Resource Hub in the ARK for a special Easter devotional do as a family. This is for both preschool and elementary families.

We're starting a new series on how Jesus brings light to the darkness this month called Glow in the Dark during our 10:30 Preschool & Kidz Worship hour.

While 1-6th graders participate in Worship with parents, our preschoolers will experience Good Friday in the ARK through their senses with different sensory stations focusing on sight, smell, hearing, touch and taste.
