

**.. Simon answered and said to him: Master, we have been working all night, and we have caught nothing; but at your word I will cast the net.  
Luke 5:5**

On some occasions we have seen ourselves like this, with discouragement because we have tried and there are no results, but when we trust in the word of the Lord we try again.

The month of March was a lot of effort together with all of you who pray and support us financially. . and some with His presence. We are following up with Sergio and Paola, they are attending every Sunday at 10 am, the discipleship of marriages and couples. América is another woman who is regularly attending therapy, where my husband introduced her to Christ and she was given a Bible. The relationship with the Jireh church in Celaya continues to strengthen.

We had the opportunity to attend the youth camp, where my husband was sharing topics of interest to young people. The vehicle broke down before the youth camp, but they were able to attend by the grace of God. We are waiting for the mechanic to get back from being out of town to see if the vehicle can be fixed. We ask for your prayers, so that God gives wisdom to my husband and can follow up with the young people who are looking for him.

God is very good and although for now we are without vehicle we continue forward. We ask you to pray for the church to grow in number and maturity.

Thank you very much for all your support.
